

MEMORANDUM

TO: Bowling Green, KY Media Outlets
FROM: Susan Harmon, Airport Manager
DATE: March 19, 2020
SUBJECT: COVID-19 Precautions

Effective Immediately: The Bowling Green – Warren County Regional Airport is **limiting** access to Aviation users only. **We ask that you refrain from visiting the airport unless you have aviation related business.** If you have questions or need assistance you are urged to follow us on social media, our website or call us at 270-842-1101.

In accordance with the Governor’s declaration of emergency and other directives on the state and local level, the Bowling Green – Warren County Regional Airport is taking steps of precaution in preparation of potential exposures related to the coronavirus pandemic for safety of our customers and staff of the airport and FBO, Co-Mar Aviation.

In effort, to keep the community and our employees safe, please refrain from coming to the airport unless you have direct aviation business to attend to. Our office staff can answer any questions over the phone or by email. You can visit our website at <https://bgwcairport.org> for a list of our staff and email addresses.

Please help our community by helping to manage the COVID-19 crisis by practicing social distancing unless you have direct business or aviation purpose to be at the airport.
