

**T-HANGAR REPAIR PROJECT
FOR THE
BOWLING GREEN-WARREN COUNTY REGIONAL AIRPORT**

**BID
FORM**

The undersigned Bidder, having examined the conditions associated with the proposed project to be provided, and having carefully read and examined all of the Bid Documents which include, but are not limited to: Table of Contents, Invitation to Bid, Instructions to Bidders, General Conditions, and Bid Form; and any and all related documents to provide the repairs described therein, and having become familiar with the specifications, requirements and procedures thereof, hereby proposes and offers to perform all obligations associated herewith and proposes to furnish all labor, supplies, and equipment required to perform all of the work in strict accordance with the Bid Documents.

The undersigned certifies that it has examined and is fully familiar with all of the provisions of the Bid Documents and is satisfied that they are accurate; that it has carefully checked all words and figures, and other matters that in any way affect the work or the cost thereof.

I. BID PRICE

1.1 The Company agrees to sell, transfer and deliver, in accordance with the terms of the Bid Documents, such project as specified on Attachment A, in the manner and frequency as requested by the Board.

1.2 The Board is exempt from state and local taxes. Exemption Certificates will be furnished upon written request.

1.3 The Company must have all repairs complete by the stated date of completion.

1.4 The Bidder shall provide a Workmanship Warranty comparable to industry standards.

1.5 Bidder shall quote unit price and anticipated completion date on the lines provided below for the T-Hangar Repair Project. The Bid Price must include all expenses of every kind and nature associated with repairing the aircraft hangar.

Repairs: See Attachment A, (T-HANGAR REPAIR PROJECT)

Cost For Project: \$ _____
Completion Date: _____

NOTE: Manufacturer's literature must accompany all bids.

II. INSPECTION

The Board shall inspect the hangar upon completion and notify the Bidder of any issues. The Bidder will immediately repair such issues at its own expense, and will be responsible for immediately resolving any returns involving third parties without delay to the Board.

III. WARRANTY

The Bidder warrants to the Board that all repairs shall be free from defects in materials and workmanship, and shall conform to the requirements of the order. The apparent silence of specifications as to any detail, or the apparent omission from it of a detailed description concerning any point, shall be regarded as meaning that only the best commercial practice is to prevail and that only material and workmanship of the finest quality are to be used. All interpretations of specifications shall be made on the basis of this statement. The materials furnished under this contract shall be new and unused, of the latest product in production to commercial trade and shall be of the highest quality as to materials used and workmanship. Manufacturer furnishing the materials shall be experienced in design and construction of such materials and shall be an established supplier of the Bid items.

IV. ADDENDA

The undersigned acknowledges receipt of Addenda as listed below and represents that any additions or modifications to, or deletions from the conditions, provisions or materials called for in these Addenda are included in this Bid.
